

Get Crafty with F.L.O.W. Holiday Workshops

Registration begins November 18th

The Friends of the Library of Windham (F.L.O.W.) are sponsoring the ever popular Holiday Craft Workshops for children aged four and up. We have all kinds of great things this year that are just waiting for little hands to help create them!

F.L.O.W. members are welcome to register on Tuesday, November 18th from 4:00pm to 6:00pm. Examples of all the holiday crafts will be on display to help you decide which ones to make. While parents are browsing the display, kids are welcome to make a practice craft, courtesy of F.L.O.W. Payment is to be made at the time of signups. Not a F.L.O.W. member? No worries, you may become a member while at the craft registration.

Registration for non-F.L.O.W. members will begin on November 19th. Please visit the front desk at the Nesmith Library to sign up.

Please expect each workshop to begin at 4:30pm and last about an hour. All necessary supplies will be provided. We ask that children aged four and five have adult supervision during the workshop. Creativity can get a little messy, please dress your artist with that in mind!

If you have questions or are interested in lending a helping hand one evening, contact Michelle Feyler at feylerco@hotmail.com or Kim Capici at KimCapici@gmail.com
