
Local History Collection Policy

Summary

The purpose of the local history collection is to preserve materials that document the history of Windham, New Hampshire and to make these materials available to researchers and the general public. The library holds these materials in trust for future generations, and therefore they can be examined in the local history room only.

Policy

The major emphasis of the collection is historical and current information about the town of Windham, New Hampshire and its sister city, Suzdal, Russia. Subject areas include: early settlers, ethnic groups, family, business, work, organizations and prominent individuals and events. Donations will be accepted provided that (a) there is a signed Deed of Gift form that legally transfers ownership of the materials to the Nesmith Library, and (b) the donor does not require excessive restrictions on use. Items will not be accepted on deposit except for the temporary loan of items for exhibition. Under special circumstances, items from the Nesmith Library will be loaned to other institutions for exhibitions.
