## HOW TO USE THE MUSEUM PASS PROGRAM

*Passes are limited to one pass per family per week. It is a good idea to reserve passes in advance, especially for weekend and school vacation week use. Passes can be picked up no earlier than the day before use and no later than 10:00am on the day of use. Your library card will be required to pick up the pass. Please contact the library (by phone, or in person) if you are unable to use a reserved pass, since others may wish to take advantage of this service. Passes not picked up are considered "NO SHOW". Patrons with a "no show" will not be able to reserve passes for two months from date of the first "no show".*

*Most passes are disposable, however, others must be returned to the library on time to avoid inconvenience to the next borrower. A fine of \$1.00 per day late will be charged if passes are not returned by 9:00am of the day following the day of use. Passes may be left in the book drop if the library is closed.*

*The Nesmith Library is not responsible for changes in a museum's rules or restrictions on pass use, or museum closures due to inclement weather or other unplanned events.*
