Happy Fourth of July! Summer is in full swing, and so is our Summer Reading Program! We have great programming, fun crafts, giveaways, and raffles planned! Registration is open, and adults can register online using Beanstack, or in person at the library. A huge thank you to FLOW for sponsoring our Summer Reading Program.

New Book Releases

A few of the books releasing in July are: (July 2) *The Lion Women of Tehran* by Marjan Kamali, author of *The Stationery Shop*, which I loved! (July 16) *One Big Happy Family*, a thriller by Jamie Day. (July 9) *The Briar Club* by Kate Quinn. (July 9) *Until Next Summer* by Ali Brady – “friendship, romance, summer camp, and reclaiming your authentic self.” (July 9) *The Summer Pact* by Emily Giffin. All of these are already listed in our catalog and are ready for you to put on hold. If you need help putting an item on hold, just give us a call and we can walk you through it or do it for you.

Nesmith Library Book Group

The Nesmith Library Book Group will meet on Wednesday, July 10 at 6:00 p.m. Currently, the book group is not accepting new members, and the waitlist is full. However, if you are willing to travel down the road a bit to the Rodgers Memorial Library in Hudson, they have six different book groups that are open to all, and they welcome Nesmith patrons! Find out more at www.rodgerslibrary.org/book-groups.

Virtual Armchair Travel to Barcelona

Over 19 million visitors a year go to Barcelona for its vibrant culture, architectural marvels, beautiful beaches, amazing food, and much more! Join us either in person or via Zoom on Tuesday, July 2 at 10:30 a.m. to see the sights from a recent visit, and to learn how history and geography make the Catalan region unlike any other part of Spain. Led by Gene Flynn, an

Illinois native, who has taught at the College of Lake County and Harper College, and who serves on the board of the Institute for Continued Learning at Roosevelt University. He frequently gives travel presentations to libraries and senior centers around the country. This virtual program is presented with Tewksbury (Mass.) Public Library, and will also be shown at the library, where light refreshments will be served. No registration is required to attend the in-person screening.

Bata Shoe Museum: A Virtual Tour

Feet are the same around the world, but what we wear can be so different! On Monday, July 8 at 7:00 p.m., discover the many different types of shoes worn throughout the ages during our virtual tour (on Zoom) of Toronto's Bata Shoe Museum. As the only museum in North America dedicated to footwear, the Bata Shoe Museum showcases 4,500 years of history and nearly 15,000 artifacts in its collection. During our tour we will experience four different exhibitions including All About Shoes: Footwear Through the Ages; In Bloom: Flowers and Footwear; Dressed to Impress: Footwear and Consumerism in the 1980s; Exhibit A: Investigating Crime and Footwear. So, put on your footwear of choice and join us for this visually appealing and historically interesting tour! Along the way, we'll also learn about the museum's fascinating

architecture and the special designs incorporated to spotlight footwear. This program is presented with Ashland (Mass.) Public Library.

Virtual Armchair Travel to Greece

On Tuesday, July 9 at 10:30 a.m., join us virtually on Zoom when Jeff Klapes, the Traveling Librarian, tells us about his travels to Chios, a Greek island in the eastern Aegean, which captivates with its diverse landscapes and rich history. Famous for its medieval villages, fragrant citrus orchards, and serene beaches, it offers a blend of cultural heritage and natural beauty. The island is renowned for its unique mastic gum cultivation, a tradition dating back to ancient times. Visitors can explore UNESCO-listed monasteries and castles, and enjoy local delicacies like mastiha-flavored sweets. Jeff recently retired from the Lucius Beebe Memorial Library in Wakefield and is an avid traveler and photographer. This program is presented with Tewksbury Public Library.

Virtual Two Nerdy Girls

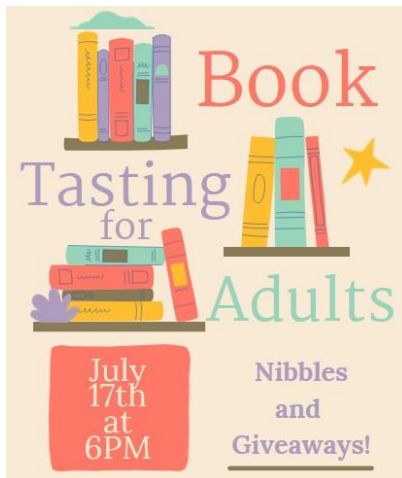

Authors Loretta Chase and Susan Holloway Scott are the originators of the blog, "Two Nerdy History Girls," where they talked about all things history and writing. Join us virtually via Zoom on Monday, July 15 at 7:00 p.m. when Loretta and Susan will answer all our burning questions, such as, how do they find interesting tidbits of historical lore, which libraries of the world have they visited, and how do they avoid the inescapable "rabbit hole" when conducting research? We can't wait to be a part of the fascinating conversation between these two friends! This virtual program is presented with Ashland Public Library.

Virtual Armchair Travel to Malta

On Tuesday, July 16 at 10:30 a.m., travel virtually on Zoom to Malta, a country that is both familiar and exotic. Located between Sicily and Tunisia, it once controlled the sea. From the Phoenicians through the Crusades and the World Wars and into the 21st century, Malta has been a Mediterranean hub of history and culture. Vibrantly colorful, beautiful, historic, and a little off the beaten track, Malta is well worth the trip. Led by Jack

Holmes, a travel photographer and owner of "Images from Near and Far" at Western Avenue Studios in Lowell. A retired high school teacher, he previously served as president of the Greater Lynn Photographic Association and gallery manager of the Loading Dock Gallery in Lowell. This program is presented with Tewksbury Public Library.

Book Tasting for Adults

Would you like to preview upcoming new releases while enjoying delicious nibbles? Then join us on Wednesday, July 17 at 6:00 p.m. for a Book Tasting for Adults! There will be lots of advance reader copies to peruse while munching on light snacks, and plenty of time to discuss which books you're looking forward to reading once they are published. Stay for the hour or just long enough to jot down your favorite titles! There will be a giveaway, too!

Virtual Paris 1874

On April 15, 1874, in Paris, an exhibition opened that would launch one of the most famous artistic movements in the world: impressionism. On Thursday, July 18 at 10:30 a.m. in

person or via Zoom, we'll hear about the first time Monet, Renoir, Degas, Morisot, Pissarro, Cezanne, and Sisley came together independently to exhibit their work: light-filled, colorful paintings conveying fleeting impressions with a brisk and lively touch. In doing so, these artists distanced themselves from the official Salon, the major official exhibition that dominated the Paris artistic life and the guardian of academic tradition. What happened over the course of those few weeks? Through a selection of works shown at the exhibition of these independent artists and at the official Salon, Musée d'Orsay proposed a revival of it for its 150th anniversary. Examine the exhibitions of both 1874 and 2024 with Patrick Herpe, a French tour guide Zooming live from Europe. This virtual program is presented with Tewksbury Public Library, and will also be shown at the library. Light refreshments will be served. No registration required to attend the in-person screening.

Monadnock Falconry

Monadnock Falconry offers the chance for nature enthusiasts of all ages to imagine life as a bird of prey. On Saturday, July 20 at 1:30 p.m., we'll welcome Mahood and his handler for a live flight demonstration! This hour-long program offers the opportunity to meet a Harris' Hawk and see it on the wing, while answering questions about their life and their relationship with their human handlers. Monadnock Falconry is devoted to environmental education through first-hand experience of these amazing creatures rarely encountered up close in the wild. The program is open to all ages, and we'll begin in the Multipurpose Room before heading outside for a flight demonstration.

Virtual True Crime Author

We love true crime, and author Dean Jobb's new book, *A Gentleman and a Thief: The Daring Jewel Heists of a Jazz Age Rogue*, hits all the right notes! It's *Catch Me If You Can* meets *The Great Gatsby* meets Cary Grant in *To Catch a Thief*! Dean will join us via Zoom on Monday, July 22 at 7:00 p.m. to talk about his captivating Jazz Age true-crime caper and tell us the story of Arthur Barry, "the greatest jewel thief who ever lived." This program is presented with Ashland Public Library.

The Genius of Judy: How Judy Blume Rewrote Childhood for Us

Join us virtually via Zoom on Tuesday, July 23 at 7:00 p.m. when we'll be chatting with author Rachele Bergstein whose book, *The Genius of Judy: How Judy Blume Rewrote Childhood for All of Us*, is about one of our favorite literacy warriors, as well as an author so many of us grew up with. As a mother of two searching for purpose outside of her home in 1960s suburban New Jersey, Blume wrote books starring regular children with genuine thoughts and problems. But behind those deceptively simple tales, Blume explored the pillars of the growing women's rights movement in which girls and women were entitled to careers, bodily autonomy, fulfilling relationships, and even sexual pleasure. Blume wasn't trying to be a revolutionary—she just wanted to tell honest stories—but in doing so, she created a cohesive, culture-altering vision of modern adolescence. How did she impact your life? How does she fight the good fight to keep books available and accessible to all? How has she become the icon that she is? Discuss everything Judy Blume with us and discover for yourself! This program is presented with Ashland Public Library.

Fused Glass Workshop

What is fused glass and how do we use it to craft? Come find out on Wednesday, July 24 at 6:00 p.m., when Nancy Perkins of True Colors Glassworks will teach us how to create unique art using colorful glass. We will learn the basics of fused glass colorwork, and arrange bits of glass on a 3"x3" base. No previous experience or

skills needed, and all materials will be provided! Nancy will supply stencils to help in the design process, or you can create your own pattern using freehand. This

workshop is for Nesmith Library card holders ages 18 and up, and registration is required.

Virtual Maxfield Parrish

Third time's a charm for this re-scheduled program! Working in the first half of the 20th century, the New Hampshire artist Maxfield Parrish skyrocketed to success as an illustrator with his distinct saturated hues and neoclassical themes. On Monday, July 29 at 6:00 p.m., we welcome back (virtually via Zoom) art educator Jane Oneail to give us an overview of the artist's life, inspiration, and artistic output. Maxfield's prolific career helped to shape the Golden Age of Illustration in the US, and his fantastic landscapes and ethereal figures transported audiences to other realms.

Best-Selling Romance Authors

Icons of the romance genre, Christina Dodd and Susan Elizabeth Phillips are joining us virtually via Zoom on Tuesday, July 30, at 7:00 p.m. for a rollicking fun conversation about Christina's latest release, *A Daughter of Fair Verona*, a frothy, irreverent, witty new series with an irresistible premise—Romeo and Juliet's daughter as a clever, rebellious, fiercely independent young woman in fair Verona—told from the delightfully engaging point of

view of the captivating Rosie Montague herself. Of course, being Christine and Susan, they will also talk about books, romance, writing, tomfoolery, and whatever comes up. We hope you can join us for this very special event. We are just planning to sit back and enjoy the show! This virtual program is presented with Ashland Public Library.

Corbin's Animal Garden

Did you know in the late 1800s, banking, railroad, and real estate mogul Austin Corbin returned to his hometown of Newport, New Hampshire, built a grand estate and bought out his neighbors' farms to create a 22,000-acre wildlife game preserve stocked with boar, bison, bighorn sheep, and other imported animals? On Wednesday, July 31, at 2:00 p.m., come hear the story of Corbin's Animal Garden! New Hampshire Humanities presenter Mary Kronenwetter will discuss how the grounds eventually became a prestigious private hunting park and hosted illustrious guests including Theodore Roosevelt, the Prince of Wales, Cornelius Vanderbilt, and Joe Dimaggio. Mary's illustrated slideshow features archival images and she'll discuss the complicated history and legacy of New Hampshire's own Gilded Age robber baron. Her talk will also highlight the important legacy of the role the Corbin family and park naturalist Ernest Baynes played in saving American bison from extinction.

Adult programs are for ages 18 and up (unless otherwise noted) and registration is required. To register for these programs, visit our Events Calendar at <https://nesmithlibrary.org/calendar>. For more information on any of these programs, or if you have any questions, please contact Maria at mschroter@nesmithlibrary.org.

Nesmith Library Kid Librarians 2024

Azra Palo,
Head of Youth Services

Our Kid Librarian Program started in early June with our first librarian, Louis! Louis got a behind the scenes tour and his favorite part was learning about the puzzle graveyard. All kid librarians get a tour, along with curating their own physical and online display. Louis loves graphic novels and books about geography!

Our second kid librarian is Caydence. Caydence enjoys any books related to cooking and baking. She found the office and cubicles to be the most interesting part of the tour.

In total there are four kid librarians, and the last two will be announced in July. Stay tuned!
