

## What is a Nesmith Library Named Fund?

A Nesmith Library Named Fund is a permanent fund established to provide donors the opportunity to honor or memorialize an individual or organization while having a lasting impact on the community.

Named Funds require a minimum contribution of \$1,000 and may be added to at any time.

Upon the initial donation, an item will be purchased to celebrate the fund's creation and the name of the honoree will be displayed at the Library.

Income generated by the fund will be used for additional acquisitions that directly benefit the public.

Donations to the Named Fund are tax deductible to the extent allowed by law.
